Saint Petersburg, Fla. (December 15, 2008) – Boxer Lenroy “TNT” Thomas is proud to announce his Charity Dinner in conjunction with the Hospice of Florida Suncoast and Royalty Promotions. The event will be held at Chappy’s Louisiana Kitchen on December 19, 2008.

The ASAP Program also known as AIDS Service Association of Pinellas, provides services to those who are affected or afflicted by HIV/AIDS. The ASAP program offers care to clients by providing prevention services, education to clients, their families, and also the community. The program offers a variety of services which include support, counseling, financial assistance, among many other services. This program is provided by the Hospice of the Florida Suncoast.

Boxer Lenroy Thomas is no stranger to overcoming obstacles in life. He grew up in a poverty stricken home in Kingston, Jamaica to come to America to grow up on the streets. It was through kindness of a friend who took him in, is partly why Thomas is who he is today. “I was given an unfortunate circumstance and with help, I was able to make something of myself. I want others to be able to do the same and programs like ASAP make it possible to contribute and give back to those in need like I once was,” stated boxer Lenroy TNT Thomas.
